Elsie Clitheroe

Dear Jerry,
It's really been fun knowing you this year even if we didn't live in the same dorm. Remember to practice tennis this summer and don't get too much of a suntan.
Lots of love,
Patsy

Dear Jeri,
It has really been fun in the dorm this year, but what will we ever do next year when you are gone? What a character you turned out to be - on the night we thought might be boring.
Good Luck
Betty

Dear Jeri,
I have had a lot of fun living with you this year. We had a lot of fun on the trampoline for the short time we worked on it.
The best of luck to you in your future years.
Lyle

Dear Jeri,
Golly, you're a wonderful girl. Working as a "Wonderful in White" with you this year was a fun and I hope in college you'll continue to use your talent. Miss Read and don't forget to come all the way to New York.
Love ya Loads
Come "N.Y."

Dear Jeri,
It's really been sweet of you to remember me. Have fun and take it easy on the other four. Love, Dan

Dear Jeri,
This pen is out of ink so I'll write with pencil. Hope you're having a good time and getting lots of fun living it up. Betty (Be good) and I are fine. This summer and next year. Best of luck, Mary

Dear Jeri,
We've had the best of times living together in the dorm. It do wish you had lived down to us this year, but we still remained close friends. Geometry and water fights kept us busy last year. We settled down a little this year, but the fun was here the same.
You are one of the finest people I've ever met. You make life fun for yourself and for all around you. Be sure and write me this summer and perhaps we'll have a reunion someday.
Best of luck in Cal.
Love,
Annie

Dedication

As the school year 1953-'54 passes into the realm of fond memories, we here at Wasatch pause to consider the year and its blessings. There were the dark moments, the happy times, the trials, and the joys, and always over and above these were the constant incentives for us to do better —the Wasatch Standards. Seldom do we find such an abundance of high moral, scholastic, and spiritual standards as there are here. Because of them, each one of us is better able to take his place in the world and to share these benefits and blessings with others.

To these happy memories we dedicate this book. To these high ideals and standards we dedicate ourselves and our lives.

Plenty of time and energy has gone into this production, which we hope you will regard a fitting tribute to the happy memories it records.

Dear Jerry,
well, nothing like
waiting until the
last 5 minutes. Being
you never wrote much
in mine, I don't feel
very obligated. Besides
I couldn't put it all on
one page anyway.
I sure hope I get to
come to Calif. this
summer. If you ever
get up to Wyo. again
you'd better stop and
see me. You're a really
darling gal and you'll
go a long way in all
you undertake. I want
you to know that
you are one of my
very best friends. I
must say we are
pretty good at enter-
taining ourselves.
Bye, Love always,
LaVonne

MR. RALPH S. GUNN

Principal

MR. ROGER HANSEN

MR. GUNN

The man behind the desk, the brains behind the plans, schedules, and activities of W. A. is a man with plenty of problems and plenty of will to succeed. Mr. Gunn has had enough to keep him busy from dawn 'till dark, and yet he will always take a minute to listen to our proposals, ideas, and problems.

We appreciate his willingness to pitch in and help with everything, his thoughtfulness and consideration of his students, and the way he has a smile, no matter what.

It is their job to help and guide us in matters of student government, dorm management, campus upkeep, and behind-the-scenes functions.

Student Council

First Row Seated, left to right:—

Second Row, standing:—
LYLE SQUIER, JIMMY SUTTEER, JIM HARRISON, CLYDE CARROLL, and STEPHEN BURGESS.

"We the Council of the Student Body, do promise to promote the interest of the students which we represent and to further the welfare of our school."

Under the direction of Keith McHenry, this group governed the student body in a most commendable manner. They were overseers for special projects like Christmas decorations and clean-up day, and they entertained us with a picnic and Christmas party.

With plenty of enthusiasm, good judgment, and W. A. spirit, they led us through a memorable year.

Alice House Council

With a new supervisor and assistant, the Alice started the year off with a bang by giving the juniors a welcoming breakfast. The Christmas Breakfast was one of the highlights of the year with its food, tree, Santa Claus, and companionship. The parlor was the scene of many social activities such as the Letterette Dance, meetings, and the Senior Tea. As the home of the junior and senior girls, the Alice remains the Queen of the Campus.

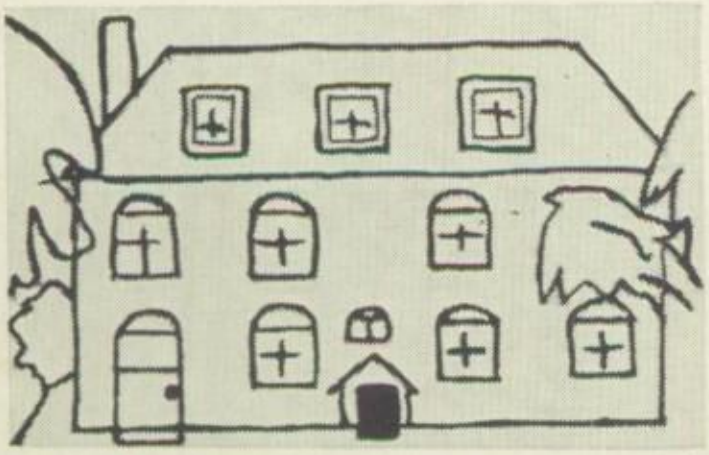
MRS. SMITH, BETTY HOLLINGSWORTH, SUE HARTMAN, MISS McKUNE, SALLY COX, and DOROTHY HATCH, President.



Left to right:—
BETSY KOCH, ANNE DEW, MISS OVERTON, SUE FARNSWORTH, MARGY WHITE, and MISS GREENAWALT.

Lincoln House Council

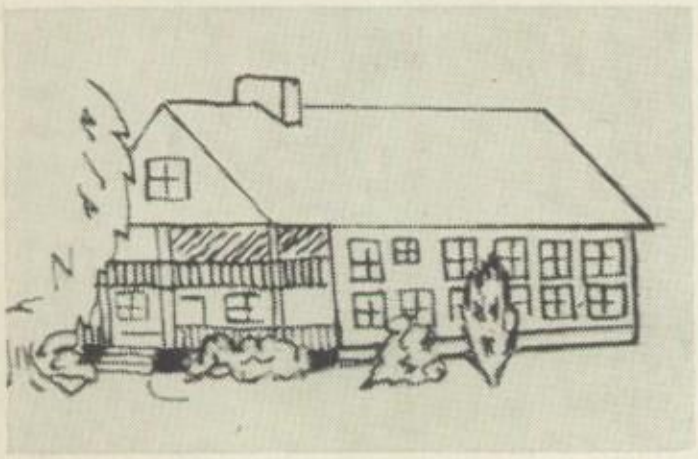
This small dorm proved to be a transition between Finks and Alice, because the residents were sophomores and juniors.

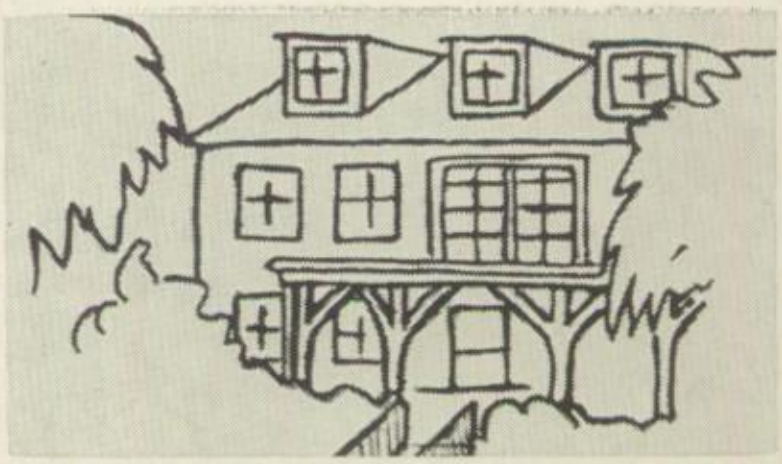
With their many hikes, parties, and home-cooked meals, not to mention mischievous pranks, they have enjoyed this year here at Wasatch.

First Row, left to right:—
MARCELLE HARDMAN, JENNIE JOHNSON, JAN CAMPBELL.
MISS BARRETT, DEE JEFFERIES, WALITA VOORHEES, MISS LOURDOU.

Finks House Council

Whether it's entertaining Darlington, or keeping Finks together, or having parties every Sunday night, these girls, led by Jennie Johnson, have done an outstanding job and have had many good times.





Darlington House Council

This year, under the leadership of Mr. Kuipers, Darlington has been working on several projects. With their house funds and money earned from selling food, they have re-done the porches and improved the game room, but they still had enough to entertain the girls from Finks!

Left to right:—
LYLE SQUIER, President; RON FRANKE, CLYDE CARROLL, MR. KIUPERS, and FRED OLSEN.

MRS. FOGELBERG MISS LINDBERG

We all have fond memories of this behind-the-scenes crew that has done so much to make our everyday lives comfortable and pleasant. They have spent plenty of time and energy in keeping us well-fed, safe, and warm, and in keeping our sheets and towels clean, and the campus in good condition. To them go our heartfelt "thanks."

Here are some of the activities we will remember recorded in pictures . . .

A hearty welcome greets newcomers to Finks . . . and . . .

a special welcome to the New Frosh from the Juniors.

A mud pack always helps the complexion . . . and the fun.

"What do I do now . . . **Sir?"** says he . . . while

these take time out for a well-earned rest.

Her majesty views her subjects as they give her a fine show.

"I just **dare** you to throw that snowball!"

They are enjoying life . . . but . . .

There is always someone who thinks the world looks better upside down.

Sophomores

The Sophomore class has had a full year. Led by President Darlene Dyer, they had many parties, held exchange programs with Sanpete sopohomores, and boosted their treasury by selling at games. At the end of the year they felt more than ready to become upperclassmen.

Football

Boasting a decisive victory over the Millard Eagles, State Champions, the Tigers of W. A. finished second to Millard in Region 4-6 for the second straight year. Despite a loss and a tie with the Delta Rabbits, Coach Sour's gridsters finished the season with one of the strongest teams in Region 4-6.

Starting in the Tiger backfield were Hickey, Cooksey, Bair, and Harrison. Jaeger, Schuckers, Faulkner, Ruppel, Schnur, Abercrombie, Cunningham, and Darnell were the stalwarts in the W. A. line.

From this group, Hickey, Schuckers, Schnur, Cooksey, Darnell, and Abercrombie gained All-Region honors. Schuckers, outstanding W. A. tackle, received further merit when he was named on the All-State First Team.

Basketball season brought new thrills to W. A. fans. Plenty of height, speed, good timing, and teamwork brought rewards in wins over Wayne, Richfield, and South Sevier in league play. The Tigers demonstrated ability, even when losing, that made each game a thriller with high, close scores.

David Cunningham, Jack Cooksey, Jim Darnell, Jon Visel, and Orville Hood, formed the leading quintet, which was supported wholeheartedly by all other members of the team.

Through concentrated effort and outstanding ability, this team has won the title of being one of W. A.'s best.

Jr. Varsity Basketball

Matching the varsity victory for victory, the Junior Varsity hoop squad turned a mediocre start into an impressive season. Coach Kuipers combined height and speed to produce a team capable of defeating anyone in the region. The J. V.'s played preliminary games for all of the varsity battles, creating early a feeling of sportsmanship. The season was climaxed by the participation of the freshmen and sophomores of the team in the Sophomore Tournament at Gunnison.

Track

With hopes of creating interest for spring athletics, Coach Sours extended an early March 9th call to all track enthusiasts. For weeks those tracksters that turned out spent many exciting hours of practice in preparation for competition with other schools. With hopes of capturing a region crown, Coach Sour's cindermen entered meets at Richfield, Salina, B. Y. U., and competed in dual meets. A few W. A. thinclads placed high in the region meet at Salina, and went on to garner higher honors at the State Meet early in May.

Tennis

This year Coach Erwin Bollinger again found the defense of the Region Trophy to be a tough obstacle. With the only returning letterman, John Ruppel, two experienced players from last year's undefeated squad, and a host of new talent, Coach Bollinger built another outstanding net team. Continually being pressed by hard-working Junior Varsity members, the varsity battled through five matches with region competition. Top events of the season were the Region Tennis Tournament, the B. Y. U. Invitational, the State Meet, and newly-found competition with Region Three teams B. Y. High, Springville, and Lincoln.

Regular tournaments were held and the members displayed their skill in exhibitions during the half-time of games and assembly programs. A system of points for lettering was devised, and awards were given at the end of the year.

Phil Miller and Jim Schuckers took turns displaying the orange and black boys' championship ribbon on their foil. Patsy Gibbons held the girls' title, though there were many challengers.

An always welcome match was Gibbons vs. Gibbons; an exciting one was Schuckers vs. Miller.

The W Club represents the finest of Wasatch athletes. Thirty-nine letters were earned by these outstanding ahtletes, with twenty-eight letters in football comprising the bulk of that number.

Headed by prexy Bill Hickey, the boys presented their annual social event in the spring, with a nod of approval from their dates and the student body.

The Choir, under the direction of Mr. Otto and accompanied by Mrs. Otto, presented the third annual "Messiah" in December, and added beauty to worship services throughout the year. In the spring they made a trip to Salt Lake, where they delighted audiences with selections from Rogers and Hammerstein's musical comedy, "Carousel," as well as with sacred numbers. The last appearance of this year's Choir, with its twenty-one graduating seniors, was at the Spring Recital.

The Gleeful Girls were smaller in number this year, but were not lacking in tone, volume, and tunes. With Mrs. Otto as a helpful accompanist, they caroled merrily on their Christmas chapel, in the March recital, and at the Music Festival in the spring. Some of their memorable songs were Holiday for Strings, The Song from Moulin Rouge, and Gandy Dancer's Ball. A gay year was had by all, for who could forget those eighth period rehearsals when they laughed as much as they sang.

Their songs ranged from the spirits of "Surrey With the Fringe On Top" and "Stouthearted Men," to the melodious "Madam Jeannette" and "The Monk."

With an accent on rhythm Latin-American style, the Dance Band thrived on many practices and playing engagements. New this year and a good addition to the band was Ann Spencer, vocalist. Mr. Hansen and his piano gave good support to Keith and Jack on their hot trumpets, to Boyd and his down-beat drums, and to the two Waynes and Kameron on the saxaphones and clarinets.

The Band began a memorable year by presenting a marching exhibition, a concert, and a half-time show at the Westminster Homecoming in the fall. Their chapel concerts, featuring rousing Sousa marches, were well received, as was their top-rating at the spring festival. Added attractions were special solo numbers, the pep band, the brass ensemble, and exhibition twirler Joe Gray. A fitting climax to a busy year was the stirring spring concert.

Thespians began the year quite exclusively with only six returning from last year's group. These six girls and sponsors, Mrs. Visel and Mr. Kuipers, did much, however, to stimulate interest, and in January eight new members were initiated in an impressive ceremony in chapel and in a private initiation party. Thus strengthened, Thespians did much work on the operetta, "Little Women," and the district speech meet held here in March. By the time of the second initiation in the spring, the group had contributed much to campus life and history, and had left high ideals for the new Thespians to live up to.

Pioneer W. F. was almost all new this year, with a new name, a new adviser, Miss Greenawalt, and a new president, Lyle Squier. The freshmen were added to the junior high group, and together they accomplished a great deal with their speakers, slides, devotions, and parties. The year of 1953-'54 was a noted one for Gospel Teamers—they have made history! For the first time an out-of-state mission was made to Chinle and Ganado, Arizona. The group of four, accompanied by Mrs. Tripp, gave three services, one of which was translated into Navajo by a Navajo interpreter.

All 36 members, by participating in state-wide gospel team trips, dining room devotions, chapel programs, and church services, gave freely of their time and talents and by so doing learned that it is beneficial to . . .

"Remember thy Creator in the days of thy youth."

The initiates were honored at a dinner, then escorted to the Bethel to the service presided over by Honored Queen Keitha Davis, Senior Princess Betty Hecox, and Junior Princess Nancy Erickson, and attended by Mrs. Logan the Grand Guardian.

Before the holidays the officers for the second term were installed in a beautiful ceremony which elevated Betty Hecox to the position of Honored Queen, Nancy Erickson to Senior Princess, and Gloria McGonigal to Junior Princess.

On January 23 the big event of the season arrived, in the object of the Job's Dance. A big success, the dance held in the dining room was decorated to the theme of "Stardust," and accompanied by the Wasatch Dance Band.

President Paul Schnur presided over the meetings, Vice-President Don Lewon arranged special programs, and Secretary Sherma Moore recorded all the minutes of the history-making meetings. The newly-elected corresponding secretary, Adrienne Smith, began work on a scrapbook which will eventually include all club history. Gov. Lee, Ahmad Haffer, and Dr. S. "The paper is out!" During the course of the year this proud announcement concerning that essential part of campus life, the WACADEMY WORLD, was received wholeheartedly by all. The students awaited with eagerness the results of much effort on the part of a tired but happy staff, and read with satisfaction the finished product. Into each paper went plenty of hard work, often done while the rest of us slept, plenty of imagination, and plenty of artistic and literary talent. Shari and John worked together, ably assisted by Nancy in art, Bill in sports, Don in feature stories, and Dot in business, to do each paper with care, concern, and ingenuity. Each week Faye reported to the PYRAMID the Wasatch doings, and each staff member did his best to gather news, report it well, and record it accurately. All in all, Mr. Kuipers and his willing crew prospered mightily and accomplished much.

With cameras snapping, brain waves crossing and deadlines looming, another Wasatch tradition has been fulfilled. Dedicated to their task, the staff of the WASATKA has published another anthology of Wasatch life under the able guidance of Editor Sherma Moore and Adviser Nancy Barrett. Ann Parkinson, with miraculous punctuality and quality, has met her make-up deadlines; Betty Baker has exhibited a touch of literary genius on each page, and Jerry Van Sickel has told the stories through art and sports; not to mention Paul Schnur's excellent photography.

Not without the full co-operation of the other members of the staff could the editors have done such a remarkable job in giving the students of Wasatch their 1953-'54 WASATKA.

On one cold October 30, I, Diogenes G, set out to find an interesting Hallowe'en party. With my trusty lantern to guide my path, I searched and searched. . . .

FIRST I MET . . .

along came Jesse and the Dalton boys with refreshments; since I wasn't invited to the party, I left, only . . .

this one came riding by and I talked her into coming off her broomstick and showing me the way.

Jingles and his pal, Wild Bill, but just then . . .

to meet up with Lady Charles Atlas and her hen-pecked mate.

Later, I frightened some little girls and took away their candy. While I was thus lunching . . .

We arrived, I toasted marshmallows, and a good time was had by all.

Dear Jeri,

You know what a mood I'm in to-night — so this will probably be real coony. When I mail that W. A. won't be the same next year without you I must it. I'll miss your shoulder to cry on, your game of tennis, and you, in general.

Anyway — in spite of the fact I'm mad 'cause you won't come back — I'll wish you the best of everything in college + ¿Juicy sale? after that you've got a lovely personality — so enjoy life.

Love,
Sue Hartman

Dearest Jeri,

You are the cutest, but really and truly you are one of the nicest gals I have met. It has been lots of fun having you and ~~been~~ now fun running around with you & the senior trip, after lights and and those deadly Canasta games. Must play again sometime. We will have to have a reunion in about five years to see what all of us have done and are doing. You have the prettiest sense of humor and that wonderful smile! It will take you a long way in life and take you very happy. You are lucky because you have got what it take to get ahead if you will keep at it. God bless you dear, and may you remain forever all the kids. Love, Joanie Howells

Dear Jeri,

Sincerely, Jerry Mikkelsen

Dearest Jeri;
The time is almost here for us to part, but I will always believe that we met again. It has been a wonderful closing year at Wade Hall. Thanks for being my friend; Atlanta is your home, and I hope you will enjoy your stay there. Thanks for complimenting me when you have the chance. I want to wish you the best of life only what you put into it, and sometimes not even that much. Stay-like you are! for always and ever; your only classmate the best. Good-luck always, Jeri;
Love always,
Billy Jan

Jeri,
I hope you'll always have the same swell sense of humor and personality that you have now. It makes you one of the most enjoyable people I have ever known.
Best of Luck,
Joan Cargil

Dear Jeri's
It's been a swell year, and it is finally ending. You are leaving Wade Hall (greatly) now, to do what you have planned, and I have no doubt that you will be successful in your chosen profession. I am sure you have a happy life ahead of you. Do keep smiling and keep that sweet smile on your face. Remember, you have many friends; Atlanta is your home, and I hope you will enjoy your stay there. Thanks for complimenting me when you have the chance. I want to wish you the best of life only what you put into it, and sometimes not even that much. Stay-like you are! for always and ever; your only classmate the best. Good-luck always, Jeri;
Love always,
Billy Jan

Dear Jeri,
I've really gotten to
know this year being that
we took most of our morning
classes together. If Even if miss
Barber is prejudice against girl
class students I think we held our
own. Wasn't it fun doing lab
work together and testing for unknowns.
I'm sure we can't forget Mrs. Lamble and
her "idiot soldiers" in History. It's been
fun knowing you, Jeri, and I think you'll
make a big sucess in life. Keep up your California
spirit.

Love,
Pat O.

Dear Jeri—
See doll we've really had some
gay times together. I'll never forget
the third floor of Links. You really
kept things booming- Usually dust
pans, waist paper baskets and
pans of water. You have really
got alot on the ball and a
personality that can't be beat.
Nothing could be dull with you
around. I'm really going to miss
you. Please write me real often.
I wish you the best life can
offer. You deserve the best.

Loads of love,
Ging

Dear Jeri-

Well, you've been here a little longer than I have now but the way it looks I may stay a few more years. The sheepskin will say 'There's always next year.' If they only knew.

We've had more than our share of fun and it's my hope to continue successfully. My falcon now is hungry and pleading empty and 'til she stoops, she must not be full-gorged.

Don't forget the good times. Forget all the bad times. And farewell to you-all.
